

Annapolis Elks  
Lodge #622

## **MEMBERS AND GUESTS**

**Saturday, May 15th, Governor Hogan relaxed restrictions and mask mandate in Maryland. Resturants and Bars can resume normal operations. Please be considerate to your fellow members and guests and their comfortability.**

**If you are not vaccinated, enter at your own risk... But please know that our lodge is still taking precautions for the safety and protection of everyone; our staff are disinfecting the building by fogger, several times weekly!**
