MESSAGE FROM
THE EXALTED RULER

The seasons are changing and nature is slowing down and preparing for the coming of Winter, a time to rest and prepare for new challenges in the Spring. So we too are slowing down, spending less time outdoors and directing our activities to home and hearth. Now is the perfect time to ask yourselves, “What have I done for the Lodge this year?” Most of us will say we came out to dinner or an event, but what have you really done? The same people volunteer their time to the dinners and events. No matter how dedicated those few individuals are, they get tired and need a chance to participate rather than serve. Have you been on a committee? Have you served on a special event or activity? Did you help clear tables after an event? These may seem like small things and possibly insignificant to us, but it means a great deal to those who do it, week after week. It is OUR LODGE and if WE don’t take PRIDE and OWNERSHIP in it, then it is nothing more than rental hall with an Elks Lodge attached to it.

Now is the time to step forward, you don’t have to set the world on fire, but would you take a position on the Food Drive or Toys for Tots committees. Would you help with the Children’s Christmas Party or the Egg Nog Party? I know, it sounds like I’m preaching, but in talking with other ER’s in the North Central District, this is a common thread. How do we get past this? How do we become a Lodge that people want to come to and to join. It all begins and ends with each one of us, we are the Lodge, we are Elks and if we truly believe in what Elkdome stands for then we need to invest our time and energy in the organization. Say Hello to someone you don’t recognize, leave Lodge issues in the Lodge room, in other words, don’t discuss them in the Lounge or Social Quarters. Recruit new members from those at work, church or the Parent Teachers Organization that you are a part of. Look for opportunities to give back to the community and then get involved!

We’ve had a successful District Deputy Inspection and Visit, a wonderful Red Ribbon Day and the Charity Event to raise monies for the Hope House and Arundel Lodge to help with drug recovery and mental health issues. The House and Activities committees have been working hard to bring you wonderful and fun filled events like the Boo Bash, Western Night, Bar Bingo the bands have been outstanding with “3 ‘til Midnight,” “Sharon and the Edge” and Mixed Emotions in December, so come on out and get involved.

It gives me great pleasure to announce the Elk of the Month for December is Roger Marcil. While only being an Elk for one year, Roger stepped up to take on the maintenance and repair of our Cabin at Elks Camp Barrett. He is Roger Marcil. SECRETARY’S SAY
December 2019/January 2020

I find myself wondering where the calendar year has gone. The days are shorter, and the weather is chilly, but the upside is that the holiday festivities are again upon us and your Lodge is the place to celebrate with friends and a cold drink in front of the fireplace.

The annual Lodge Memorial Service is on December 1st at 1 PM with a $9.00 chicken dinner to follow. There will be a reminder posted on the front door. This is a beautiful service to honor our departed members from the last 12 months. This is also when the Memorial Plaques are added to the “Absent Member Wall” in the Lodge Room.

You may have noticed that the Toys for Tots box is in the Heritage Room. It will be there until December 15th. Please be as generous in helping the less fortunate kids, as you have been in the past. There is an article regarding the campaign elsewhere in this issue of the Horn.

As usual, I must remind you that, as of this writing, there are still 48 folks that have failed to renew their Membership. I ask, again, that you consult the list on the bulletin board in the back hallway and contact any of these delinquent Members, that you know, and ask them to pay their dues. Sadly, any unpaid Members that remain on this list on March 31st, will be dropped from our rolls.

I hope to see you all at the Lodge during this holiday season. The House Committee is working hard to have events that bring in the Members. Please participate as often as possible, in these fun events.

Kathy and I want to wish you all a Merry Christmas or Happy Chanukah, whichever is appropriate, and a very happy, healthy & prosperous 2020.

Fraternally,
Lou Schmeltzer, PDD
Secretary

MESSAGE FROM THE EXALTED RULER (continued from page 1)

fronted the money necessary to complete the tasks and spent countless hours coordinating the efforts with the other lodges to ensure that the work was completed in a timely and professional manner.

Our Elk of the Month for January is Frank Stone. Frank has been a member for 7 years, and a dedicated Law Enforcement Officer who still finds the time to run our Bar Bingo.

ELKS CAMP BARRETT

The camping season has come to an end and what a wonderful season it was. The numbers were good and the enthusiasm was very high. Lodges took ownership of their cabins and the camp made significant improvements to enhance the overall experience for our young people. A special thanks to Roger Marcil for his coordination and hardwork. This is not to say that the work is done, but thanks to one and all that participated in all of the volunteer hours and expertise that they brought to the various activities. We still need your help! The Boy Scout Camporee is coming up between November 22 - 24. Volunteers are needed to help cook, serve and clean up on the 24th after the event. If you can spare a few hours to help make this another premiere event, contact the camp, Monday through Friday at 410-224-2945 or via email at administration@elkscampbarrett.org

DRUG AWARENESS PROGRAM

Many misused drugs can alter a person’s thinking and judgment, leading to health risks, including addiction, drugged driving and infectious disease. Most drugs could potentially harm an unborn baby; pregnancy-related issues are listed in the chart below for drugs where there is enough scientific evidence to connect the drug use to specific negative effects.

I’m referring to this very worthwhile endeavor of collecting new, unwrapped gifts to be distributed during this time of giving, to those less fortunate than ourselves.

Imagine a child with nothing under the tree, not a nice image is it. You can turn that sad frown into a huge smile of joy by just donating one toy, or more, to this cause. I wonder why they didn’t call it the Smiles for Tots instead. That would have been very appropriate.

As many of you may have noticed, the donation box is in the Heritage Room. It will be there until the middle of the month. All you need to do is pick up an extra gift while you’re shopping and bring it to the Lodge and deposit it in the box. The only rules are that the gifts be new and unwrapped. The gift can be as large or as small as you choose and if you prefer, a monetary gift can be given in lieu of or in addition to the gift. If you choose the latter, please make your check out to BPOE #622 and put Toys for Tots in the memo field. The check can be given to me or deposited in the Secretary’s mail drop in his office door. If you prefer cash, please enclose it in an envelope and indicate that it’s to be used to bring smiles to kids.

I am thanking you in advance, on behalf of those grateful children that will have gifts because of you. If you prefer cash, please enclose it in an envelope and indicate that it’s to be used to bring smiles to kids.

I am thanking you in advance, on behalf of those grateful children that will have gifts because of you.

Lou Schmeltzer, PER, PDD

P.S. The Marines have requested that stuffed animals be eliminated, because they get so dirty in the trucks. My suggestion would be, if you want to give a stuffed toy then put it in a plastic bag. Thank you

NOTICE: Membership Dues Increase

Due to the increase in the annual fees charged by the Grand Lodge; it will be necessary to increase the annual Membership dues/assessment by $5.00.

Therefore, effective with the 2020-2021 Lodge year; the dues for Regular and Life Members will be $125.00 and $75.00 respectively.

This will also require a by-law change which will be submitted to Grand Lodge for approval.

The Lodge regrets the need to inform you of this increase at this festive time of the year, but it is necessary due to the by-monthly publication of the “Horn” and timing of the dues renewal notices being sent out in January.

Lou Schmeltzer, Secretary
